ABOUT ME

I am an organised person with a great passion for IT. I have grown up in an international and multicultural environment. Furthermore, I am detail-oriented, and I am learning constantly to apply my knowledge to my professional life. My goal is to use my experience and knowledge to make a positive impact on the world through technology.

WORK EXPERIENCE

Erasmus+ Internship
Tridens, d. o. o. | June-July, 2025
- Documenting, creating, and pentesting an API with Zed Attack Proxy (ZAP).
